hudba a text **Frank Dostal & Rolf Soja, 1978**

A1 G I still remember the piano
D Playing the same old melodies

B1 C The late-night crowd
G Was wild and loud
D But then a shot
G Outside the bar-room

A2 G And then I saw you for the first time
D The way you stepped out of the dark

B2 C Up to the bar
G Said: Here we are
D Whiskey for me
G For you tequila

C1 G The devil send you to Lorado
D Because he knew that I was there

D′1 D A man with such a face
In such a lonesome place
Can only be
G A desperado

C1

D″2 D And when I heard you'd stay
I felt right away
You'd shake my life
G Like a tornado

A3 G I still remember the piano
D Playing a different melody

B3 C You won at cards
G You won at darts
D Left all the men
G Without a dollar

A4 G And now you gotta leave Lorado
D They want you out of here by noon

B4 C Oh, I can tell
G I'm in a spell
D So here we go
G To Amarillo
